

The Times-Dispatch All-Metro girls tennis team

Christine **Abbott**

School: Midlothian

Year: Sophomore

The skinny: The star of the Dominion District once again. She was undefeated in singles for the year until losing to Nicole Parker in three sets in the Central Region final. Abbott's season ended with a three-set loss to Megan Napolitano of Albemarle in the state tournament quarterfinals. She was the district and region player of the year.

If she had one wish, it would be: "World peace."

Yasmin **Fotovat**

School: Atlee

Year: Senior

The skinny: Following up on her All-Metro season of a year ago, Fotovat won the Capital District singles and doubles titles (with Shao Ching Tu). Fotovat and Tu also led the Raiders to a runner-up finish in the Central Region team tournament and to a berth in the state tournament quarterfinals for the second year in a row.

If she had one wish, it would be: "To travel anywhere, anytime and take photos [she plans a career as a photographer]."

Meg **Kristofak**

School: Mills Godwin

Year: Senior

The skinny: Kristofak moves up to first-team All-Metro after two years as a second-team pick. She played No. 3 singles and No. 2 doubles in the Eagles' deep lineup. The Eagles won the Central Region and Group AAA state team titles in each of her four years. She scored the clinching point in this year's state final. When doubles partner Michelle Akerman missed time because of mononucleosis, Kristofak teamed with Haley Moses to finish as the Central Region runner-up.

If she had one wish, it would be: "To have an unlimited credit card."

Kelly **Stewart**

School: Mills Godwin

Year: Freshman

The skinny: Won the Eagles' No. 1 spot in a challenge match and didn't lose a singles match to a Central Region opponent until the region tournament semifinals to Christine Abbott. Stewart won the Colonial District singles titles and won the district and region doubles titles with Nicole Parker. The duo

was the state runner-up. Stewart also delivered points in each of champion Mills Godwin's region and state team matches.

If she had one wish, it would be: "Play in the U.S. Open."

Callie Whitlock

School: St. Catherine's

Year: Junior

The skinny: The Saints play in the fall, but Whitlock, who plays No. 1 singles and doubles, is an easy fit into the All-Metro top six. She won the LIS singles and doubles crowns. Her only singles loss came in the state tournament final. Whitlock was undefeated in doubles for the second year in a row. She was named the private schools' state player of the year.

If she had one wish, it would be: "To meet the Jonas Brothers or Taylor Lautner."
